Total	303

During the past year the anticipated increase in our records division and the transfer of the duty of issuance of bicycle registrations to our department, the expending use of our lock-up by both local and State police indicates the immediate need for a modern police facility.

Our present lock-up, located in the basement, with the only means of entrance and exit, a narrow set of wooden stairs, presents an extreme hazard.

We should have a separate unit for the women who are detained and a detention room for juveniles exclusively. To continue to use our present facility is an invitation to potential disaster.

EDUCATION AND TRAINING:

Two of our permanant officers attended the State Police training school, four are now taking advanced courses at St. Anselm's College and fourteen of our permanent and special officers are attending the twelve week "Recruit Training Program" conducted by the F. B. I. at Manchester. We are prepared to provide a small arms instruction course for all members of the department whenever a suitable location can be found.

It is significant that many Colleges and Universities have arranged special courses, dealing with the many aspects of Law Enforcement. The position requires a particular knowledge and a special skill.

TRAFFIC CONTROL AND PEDESTRIAN SAFETY:

An analysis of the visual chart in our traffic division indicate a total of 423 accidents reported with 193 personal injury, 229 property damage, and 1 fatal accident.

The accident rate on Route #28 remains high with 95 property, 62 personal injury and 4 pedestrian, total 161 accidents reported.

While the primary responsibility for the maintenance of Route #28 outside the compact area rests with the State Highway Department, it is the sole responsibility of the town to improve the safety factor in the Depot area. We believe that this problem can be solved by a joint program of safety engineering.

The record indicates the need for immediate action.

Very truly yours,

EVERETT B. DOWE
Chief of Police

FIRE DEPARTMENT OF SALEM, NEW HAMPSHIRE

Mr. Frederick T. Staples, Town Manager
Town of Salem, New Hampshire

Dear Mr. Staples:

During the year 1962, the Salem Fire Department responded to 388 alarms, 302 still and 86 box alarms, an increase of 57 alarms over 1961. The fire loss of the year 1962 amounted to $56,979.00 compared with a loss of $60,904.00 for 1961. From January 1, 1962 until June 1, 1962, the fire department provided manpower for 49 emergency ambulance calls. On June 1, 1962 the department put into service its own ambulance, which responded to 184 emergency calls during the remainder of the year.

An analysis of the 1962 activity of the fire department is as follows:

I Apparatus Response

Eng. I	Eng. II	Eng. III	Eng. IV	Tanker I	Tanker II	Squad
51	25	209	109	86	22	103

II Types of Services Rendered

Building Fires	54
Oil Burner Fires	19
Rescue - Oxygen	15
Grass & Brush Fires	106
Dump Fires	35
Gasoline in Street	5
Automobile & Truck Fires	50
Rubbish Fires	11
Lock-Outs	8
Trailer Fires	7
Mutual Aid	7
Miscellaneous Calls	71
	388
Ambulance Services	233
Total Departmental Services Rendered	621

III 1962 Monthly Responses

Month	Box Alarms	Still Alarms	Ambulance Calls	Total
January	7	13	12	32
February	3	10	4	17
March	11	27	11	49
April	13	69	12	94
May	16	42	10	68
June	8	26	24	58
July	8	29	28	65
August	5	14	26	45
September	5	13	30	48
October	3	22	35	60
November	0	22	20	42
December	7	15	21	43
Yearly Totals	86	302	233	621

At this time, the three 750 gallon pumpers are in excellent operating conditions. The squad car should be replaced and this has been considered in the department's budget request. The department intends to equip any future squad car with a portable stretcher so it can fill in for ambulance service as well as be used at fires. While not considered in the budget this year, it is important to point out that the Tanker II chassis, North Salem, should be replaced next year. There is a request for new hose this year. With no drying equipment or hose tower, hose must be dried outside the fire station on the pavement. This is harmful to the hose and shortens its life, especially 1 1/2 inch hose.

During the past year the department continued its training and drill sessions. These sessions are most important in maintaining the efficiency of the department in the use of its equipment and apparatus.

The department wishes to thank the citizens of the town of Salem for their continued interest and support.

Respectfully submitted,

RAOUL LAVOIE, chief
Salem Fire Department

REPORT OF THE SALEM PLANNING BOARD

During the year 1962 the Salem Planning Board approved plats of the following subdivisions:

George Taylor - Wheeler Avenue
William Heard - Canobie Hills, Section #4
Charles K. Budron - Pons Street, Section #2
Guy L. Ackerman - Ackerman Street
George Merrill - Centerville Acres, Section #3
Sam D. Beshara - Birch Hill Road
William D. Palmer - Walter Palmer Lane
Arther E. Parker - Parker Circle
George Merrill - Olive Avenue
Deerfield Investment Corporation - Deerfield Acres
Joseph H. Belanger - Dexter Road

The above subdivisions represent 193 lots with site improvements for streets and drainage approximating $82.470.

The master planning program which was started in September of 1961 is now in its final stages of completion. Throughout the year of 1962 members of the Planning Board have met regularly, and often in conjunction with other interested committees or boards and town officials, with the Consultant of the James W. Sewall Company to study the various phases of the program including inventory, analysis and evaluation, plan objectives and their implementation through ordinances, regulations, and a capital improvement program.

It will be the immediate objective of the Salem Planning Board in the coming year to present the master plan to the citizens of Salem through a series of public meetings. Future objectives will consist of implementing the plan through revised ordinances and an official map, and, at the same time, of providing a coordinating facility for other agencies, committees, or boards whose participation in decisions will have a direct effect upon the future growth and welfare of the Town of Salem.

RUSSELL T. GLADWIN
Chairman

LIBRARY TRUSTEES REPORT

To the Citizens of Salem:

The Salem Public Library has had a very satisfactory and progressive year. The increased circulation and increased book budget reflects upon the fact that the growth of our community is being felt also at the Salem Library and rightly so, consequently more space is desperately needed. Additional tables as space allows have been added for the students doing reference work, also additional shelving is at present being installed, to the point of blocking out some of the windows.

Architectural plans for a new library are now in the formative stage awaiting expenditure approval at town meeting.

Trustee meetings were held monthly during the year, and on a stepped up basis the past three months with various consultants present.

The trustees wish to acknowledge with pleasure the cooperative help of our librarians Miss Alice Hall and Mrs. Mary Forrest. We also wish to thank the many people and organizations which have supported the library in time and with gifts, helping to make a successful year.

Respectfully submitted,

WESLEY AYER
Chairman

LIBRARIANS REPORT

To the Citizens of Salem:

The goal of the library this year has been the purchasing of new books *** books for all ages from the oldest to the youngest.

New bookcases have been added to supply shelf room for these books.

In May the seven hour day went into effect - - - Library open each day from 2:00 P.M. thru supper hour to 9:00 P.M., except Saturday 10:00 - 5:00.

National Book Week was a success with varied programs to civic groups each day.

Due to the efforts of Mrs. Mary Forrest, Assistant Librarian, many classes from the elementary schools have visited the library, being instructed in the use of the Library and often a story told by her.

Story Hour each Saturday from 9:00 - 10:00.

Summer reading course for children was so successful that another will be held this summer. Book worm pins and certificates were given as prizes.

About five hundred books have been added on all subjects.

Technical	5%
Adults	40%
Childrens	25%
Back Shelf	25%
Magazines	5%

Books on Atomic Energy, Mathematics, Chemistry, Physics, World Book Encyclopedia, and Lincoln Library have been added.

Outstanding childrens books for 1st, 2nd and 3rd grades have been built up to standard under guidance of Mrs. Forrest.

Magazines may be taken from the library except current issues.

BUDGET WORK SHEET

This is a presentation of the budget work sheet upon which your School Board has been operating during 1962-63 and their estimated expenses for the year 1963-64. It must be taken into consideration that monies appropriated in the month of March, to be used in the following year, do not necessarily correspond in individual items, because of the impossibility of projecting the rising price indexes twelve months hence.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

November 19, 1962

The School Board

Salem School District

Salem, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Salem School District for the fiscal year ended June 30, 1962, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1961 and June 30, 1962, are presented in Exhibit A. As indicated therein, the Net Debt increased by $441,326.14 during the fiscal year ended June 30, 1962.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Increase in Net Debt		
Bonds Issued	$500,000.00	
Cash Surplus Used to Reduce School Tax	36.79	
Excess Building Aid (1960-61) Used to Reduce School Tax	463.21	
		$500,500.00

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1962, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of $3,123.42, plus a net unexpended balance of appropriations of $50.44, resulted in a net budget surplus of $3,173.86.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1962, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1962, is indicated in Exhibit F.

Building Fund Account: (Exhibit G)

A statement showing the activity in the Building Fund account during the fiscal year is included in Exhibit G.

Statement of Bonded Indebtedness: (Exhibit I)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1962, showing annual debt service requirements, is contained in Exhibit I.

Woodbury High School Activities Funds: Exhibit J)

A summary statement of the Woodbury High School Activities Funds is presented in Exhibit J.

GENERAL COMMENTS

Current Surplus:

It is noted that the current surplus (excess of total assets over current liabilities) increased from $1,914.25 to $4,588.11, during the fiscal year ended June 30, 1962, as shown herewith:

	June 30, 1961	June 30, 1962

TOWN MEETING WARRANT

State of New Hampshire

To the inhabitants of the Town of Salem, in the County of Rockingham in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Ackerman Hall, in said Town, on Tuesday the twelfth day of March next, at ten (10:00) in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the ensuing year.

Article 2. To see if the Town will vote to appropriate such sums of money as may be necessary to defray the expenses of operation of the Town; Town Officers salaries and expenses, expenses of Election and Registration, Planning Board, Municipal Court and Town Buildings, Ambulance, expenses of the operation of the Police, Fire and Civil Defense Departments, Expenses of the Town Dump and Damage by Dogs, expenses of the Health Department, Summer and Winter maintenance and general expense of Town Highways, Street Lighting, Town Poor and Old Age Assistance, Parks and Playgrounds, Damages and Legal Expense, Social Security and Retirement (Town's Share), Interest and other necessary expenses pertaining to the operation of the Town of Salem, including the Water Department, all such amounts being shown in the posted Town Budget.

Article 3. To see if the Town will vote to authorize the Selectmen and Treasurer under the provisions of RSA 33:71, 1955, to borrow, in anticipation of taxes, such sums as are necessary for the operations of the Town, and to set the rate, effect the issuance of notes, and to otherwise negotiate for the sale of notes to be paid within the present fiscal year.

Article 4. To see if the Town will vote to authorize the Selectmen and Town Manager to apply, negotiate and do all other things necessary to obtain such Federal Interest Free Loans, and to expend the same, as may be required for the preparation of plans and design of Town Roads, Municipal Buildings, and the extension of the Water System.

Article 5. To see if the Town will vote to raise and appropriate the sum of Thirty Nine Hundred Dollars ($3900.00) to pay for School Crossing Guards, commencing September, 1963.

Article 6. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars ($15,000.00) for the purpose of acquiring land to be used as a cemetery.

Article 7. To see if the Town will vote to raise and appropriate the sum of Fifteen Hundred Dollars ($1500.00) to be expended for a street numbering system satisfactory to the United States Post Office Department.

Article 8. To see if the Town will vote to hire a Town Engineer, at a yearly salary not to exceed Seventy Five Hundred Dollars ($7500.00) for 1963, and to raise and appropriate the sum of Four Thousand Dollars ($4000.00) therefor.

Article 9. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars ($5000.00) to be used to supplement the sum of Thirteen Thousand Eight Hundred Dollars ($13,800.00) appropriated at the annual 1962 Town Meeting. The total sum to be used for the purpose of constructing and widening the North Main Street bridge, and approaches, and to acquire by whatever means necessary the land therefor.

Article 10. To see if the Town will vote to raise and appropriate a sum not to exceed Eighty Thousand Dollars ($80,000.00)

(a) To acquire land between Route 28 and Lawrence Road for a relocated Route 97.

(b) To acquire land for Public Buildings, Recreational Areas, Streets, and other Town functions, and to authorize the Selectmen to take all such actions as may be necessary to acquire title to such land as they deem necessary or advisable.

Sixty Thousand Dollars ($60,000.00) to be raised by the issuance of bonds or notes, under and in compliance with the provisions of the Municipal Finance Act (Chap. 33, RSA, 1955 and acts additional and amendatory thereto) and to authorize the Selectmen to issue and negotiate such bonds or notes, and to determine the interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Salem.

Article 11. To see if the Town will vote to instruct the Selectmen to collect reasonable fees for the use of the Town Emergency Ambulance.

Article 12. To see if the Town will vote to adopt the following Ordinance with respect to the keeping of dogs and their running at large:

(a) Any owner, or keeper, of a dog to whom written notice has been given by the Chief of Police or Dog Officer that such dog, while not on his owner's or keeper's property, has harassed any person shall be fined Twenty Five Dollars ($25.00) for each subsequent occasion on which said dog shall harass any person.

(b) If a dog's owner or keeper has been given notice in accordance with Paragraph (a) that his dog, while not on his owner's or keeper's property, has harassed any person, any law enforcement officer may impound or destroy such dog, if the dog, while not on his owner's or keeper's property, again harasses any person.

(c) Dogs impounded shall not be released until all costs incidental to the impounding have been paid by the owner or keeper.

Article 13. To see if the Town will vote to adopt the provisions of Chapter 252 of the Revised Statutes annotated 1955 as amended.

Article 14. By request of Thomas J. Dale and others: To see if the Town will vote to amend Article 10, Section D of the 1961 Salem Zoning Ordinance to read as follows:

Notice of the time and place of any hearing of the Board of Adjustment shall be published in a paper of general circulation in the Town of Salem and given to all parties in interest. The Planning Board and the Building Inspector shall be notified. All meetings of the Board shall be open to the public except for conferences held to consider motions for rehearings, and conferences concerned with the consideration of the evidence presented in appeals to the Board, and the voting on such appeals. Any person shall have a right to have a stenographer or record device present. The Board shall adopt rules in accordance with the provisions of the Ordinance. Meetings of the Board shall be held at the call of the Chairman and at such other time as the Board may determine. The Chairman, or in his absence the Acting Chairman, may administer oaths and compel the attendance of witnesses and shall admini-

ster oaths and require that any or all evidence be under oath whenever requested by any party. The Board shall keep minutes of its proceedings and shall show the vote of each member upon each question or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and all other official actions, all of which shall be immediately filed in the Town Office and shall be a public record.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Salem:

I am presenting herewith my Seventh Annual Report as Superintendent of Schools in Salem. A report from the Principal of the Woodbury High School, as well as statistical information are listed separately.

Personnel

Thirty-two new teachers have been added to the teaching staff in Salem for this year. Of the thirty-two, fifteen are elementary teachers, twelve are high school teachers, three are specials and two are junior high teachers. The specials include a teacher of special education, a music teacher and an art teacher. We also hired a new principal, a guidance director and a nurse. Of these thirty-five new personnel added to our staff, twenty-one were replacements and fourteen were additions.

All teachers have continued membership in local, state and national professional organizations. Twenty-six teachers have taken courses this past year to improve themselves professionally.

It is imperative that we continue to evaluate our salary schedule. As salaries continue to increase in our neighboring towns and cities Salem must be prepared to meet this competition or the education of our children will suffer. The minimum salary in Massachusetts is now set at $4500.00. Most of our Massachusetts neighbors are paying teachers more than that to start in order to put themselves in a better bargaining position. We recieve most of our teacher applicants from Massachusetts, and because there is still a shortage of qualified teachers it is necessary that we at least meet the Massachusetts minimum. We hired seven new teachers this year from Lowell Massachusetts State Teachers College. Perhaps the most important fact is that we have need for several additional teachers next year and if we should lose, in addition, some of our present teachers, it would make an extreme hardship to fill these positions without a satisfactory beginning salary.

Curriculum

I would like to report that all schools continue to progress in all phases of education. In our elementary schools we have started a program of modern mathematics in grades one and two. The pupils in these classes will learn by discovery and understanding rather than by rote. The introduction of concepts of algebra and geometry are started at an early age - in simplified form of course. We expect to continue this program in grade three next year and maybe in grade four. In grade one we are now using the Phono-Visual Method of teaching phonics in conjunction with the reading program. This is based on pictorial charts arranged on a scientific phonetic foundation together with a definite plan for training in auditory and visual discrimination.

In two of our elementary schools we have departmentalized our fifth and sixth grades, the same as we do in the seventh and eighth grades. This permits our teachers to specialize in one subject rather than teach all subjects as they would in a self-contained class. We believe that a program of this sort has merit at this age level.

We have full time secretaries now in all our elementary schools. Our principals can carry on a more effective supervisory program with the secretaries handling the administrative details.

The long range evaluation program started last year by the teachers continues in force. The elementary teachers are working in conjunction with all teachers in Union #55 and from this evaluation it is expected that specific recommendations will be forthcoming that should prove helpful in improving our schools. The high school teachers are preparing to be evaluated by a visiting delegation as part of an accredidation program set up by the New England Association of Colleges and Secondary Schools, of which Woodbury High School is a member.

Our programs in special education and remedial reading are proving worthwhile and help the children to make better progress.

The School District continues to take advantage of funds provided by the Federal Government for special projects in mathematics, science and modern languages.

We are, at present, studying the possibility of using programmed texts in the junior high to help in the teaching of English grammar and its usage. Programmed texts use the same approach as a teaching machine but each pupil has a copy of the text. Using a teaching machine, only one pupil can use it at a time. A programmed text will be supplementary to the regular program if it is adopted.

Another possibility that I would like to have considered is a class in beginning typewriting this summer - perhaps to pupils going into grades six - eight. I believe the idea has merit. Many pupils have access, at home, to typewriters and if the non-high school youngster can learn to type early his success in school should be greater.

It is hoped that next year may be the beginning of an adult education program in Salem, sponsored by the School District. Courses in typewriting, shorthand, arts and crafts, art, mathematics, etc. should be very popular.

Housing

Housing continues to be our major problem. Salem added eighteen new classrooms this past year. We have four classrooms available in our two oldest buildings, namely Number Six and the old Number Eight. We need thirteen or fourteen additional classrooms for September 1963. It will be the problem of the School Board to decide how best to meet this situation. It may be necessary to set up temporary classrooms in our new gym at the high school; in some of our new cafeterias; perhaps in a church; use temporarily one of our remedial reading rooms; perhaps ask permission from the selectmen for the use of the first floor of the Town Hall and Hose House.

The total school enrollment has increased two hundred sixty-one pupils since last year. The school census showed a total of 4,649 persons, an increase of six hundred twenty-six. The school projections estimate a school enrollment next year of 2,806 pupils, an increase of two hundred ninety-seven.

At the School District Meeting in March, the School Board will ask for a bond issue to build a new high school. The present high school will be overcrowded even by Septembe 1963. The school survey report recommends building a new high school, the Interim Commission, set up by the General Court, recommends a new high school and the Salem School Building Committee also recommends a new high school. If the bond issue is approved this March the building will be ready for September 1964.

The Sewell Engineering Company who made the School Survey Report has recommended a building program that appears very sound. If their program is followed there will be few vacant rooms at any time. It is interesting to note that the projections made by the Engineering Company and School officials are quite similar in future classroom needs.

The School Building Committee has interviewed architects and selected one to make up plans and drawings for the new building. At this writing two sites are being discussed and it is expected that one of them will be selected in the near future. The School Building Committee should prove a great help with their varied backgrounds in helping to avoid pitfalls that could arise in any construction program.

Support Quality Education

Your support of our educational program is solicited for the benefit of a better community and a better America.

Appreciations

Appreciation is expressed for the continued support of all local organizations. Helping at the individual schools; honoring specific groups; presenting scholarships; looking after the health of the children, especially those in need; presenting worthwhile educational tools to various schools are very commendable. Please accept my personal thanks and the thanks of all those who work with me.

In conclusion, I wish to thank the School Board, Teacher Consultant, principals, teachers and pupils for their help and cooperation in making the work of our schools in Salem pleasant and successful.

Respectfully submitted,

WENDELL V. DAVIS
Superintendent of Schools

REPORT OF PRINCIPAL OF WOODBURY JUNIOR-SENIOR HIGH SCHOOL

Grades 7 - 12

Woodbury High School, which includes grades 7 - 12, has an enrollment as of October 1, 1962 of 1086, plus one 6th grade of 29, making a total enrollment of 1115. The high school enrollment has increased from 540 as of June 1962 to 638 as of November 1962. The 7th and 8th grades have an enrollment of 447. The anticipated enrollment for next year is 770. This is 132 more than we have now. We will have to have at least four, and preferably five, additional rooms to take care of the increase. Eighty-nine (89) seniors will be graduating and we will gain 221 from the 8th grade. The difference between 221 and 89 leaves us with an additional incoming group of 132. Allowing 30 plus in a room will require four additional room.

Curriculum: Art has been added to our curriculum and 100 students are taking the subject in the high school. We were indeed fortunate in getting an experienced Art teacher in the person of Mr. Raymond LaBranche.

Woodbury now offers three courses in the fine arts as required for a comprehensive high school. Room 118 has been converted into an Art room.

As a result of shortage of personnel in the Physical Education Department, physical education is required only in grades 7, 8 and 9, and optional in 10, 11 and 12. We need two additional teachers in physical education if it is to be required of all students grades 7 through 12.

Personnel: We have added three additional teachers to take care of the increased enrollment and the addition of the Art course. Eight teachers were hired to replace teachers who left our employ either to get married or for more lucrative fields. We were happy to be able to get several experienced teachers.

As mentioned in a previous paragraph our projected enrollment for 1963-1964 will be 770 in the high school. This means that will need three additional teachers in the high school. We will need at least four, and preferably five, additional rooms to accommodate the additional 132 students. In order to do this a place must be found for four 7th grades other than at Woodbury-Central School.

As of this date, November 1962, we have an enrollment of 638 and are using 21 classrooms, 1 Home Economics Lab., 1 Shop, 1 Band Room, and 2 Physical Education Teacher Stations. In the Central section we have an enrollment of 447 in 14 classrooms.

The most urgent request is for the naming of Heads of Departments in English, Languages, Social Studies and Math. I am sure that this is one of the recommendations that the Evaluation Committee will make if we haven't beat them to it by April. This is a must in a school our size, and I also recommend that the salary be enough to attract the best. The most important duty is seeing to it that all teachers in the department are co-ordinated in the area of curriculum and all teachers know what every other teacher is teaching at a given time - the 7th grade English teacher should know what is being taught all the way up to grade 12 in English.

Physical Plant: The building received a new coat of paint on the inside which was badly needed.

Additional speakers have been added to include all rooms in the old Central School. This will require a bigger amplifier in our public address console as present amplifier is not powerful enough to carry amplification to 52 rooms or teacher stations.

Our athletic fields have been improved so that we no longer have to use the infield at Rockingham Park for field hockey.

Additional bleachers have been installed for the convenience of our fans.

Two new water coolers have been installed in the Central section of the Woodbury-Central School through the kindness of former Woodbury High School graduating classes.

The Band has a few additional instruments and the Class of 1960 donated a Woodbury High School Blue Devil flag to the school. The band continues to be a very functional organization and is very much in evidence at games, civic events, and assemblies. The Band took first prize in a recent Lawrence Santa Claus parade.

Our greatest needs are additional Guidance Counselors as one man cannot meet the needs of over 1000 students and do it adequately.

Eight metal gates are desperately needed to close off the rest of the Woodbury-Central building, especially when it is rented to outsiders.

The school gym and auditorium are not as available to outside organizations as in the past. School organizations have to be put on a schedule for the use of these facilities. We have boys and girls varsity, junior varsity, freshmen and 8th grade basketball teams; dramatic plays including the senior play which is in rehearsal for two months, Noyes Dramatic Contest; Majorettes and Twirlerettes rehearsals; physical education exhibitions; inside baseball practice; dances every Saturday night for the benefit of classes, National Honor Society, Cheerleaders, Majorettes, Band, Boosters Club, P.T.A., General Fund. Our organizations have grown so in number that our facilities are overcrowded. It is hard for the general public to realize that we are no longer the little school of 275 that we were six years ago. We are having fewer assemblies as it is difficult to seat 638 students, plus 30 teachers, in the auditorium.

Of the 111 graduates of the Class of 1962, 50 are furthering their education: 20 in four-year colleges; 2 in secretarial school; 9 in technical schools; 4 in nursing school, and 2 in practical nursing training; 1 in junior college; 1 in Art school; 4 in beautician school; 5 in school of accounting; and 2 in Chiropractic training; 8 members have joined the services and two are operating dancing schools. Many are employed in the field of business.

All non-college seniors were administered a battery of tests by the State of New Hampshire Department of Education Employment Security.

Woodbury students continue to score above the national average in National Educational Development tests. In the college board exams our students are averaging about the 500 percentile. Three of our seniors have received Letters of Commendation from the National Merit Qualifying tests - Joan Gaudette, Arlene Gaudet and Wayne Johnston. They may qualify for national scholarships.

The principal was honored by the National Association of Secondary School Principals meeting at St. Louis by being named to National Committee on Staff Evaluation.

Woodbury High School is a comprehensive high school fulfilling all of the requirements of the State Department of Education and is approved by them. It is also accredited by the National Association of Colleges and Secondary Schools.

Respectfully submitted,

FRANCIS H. GEREMONTY
Principal
